

Front Loader

The LA525 Front Loader has a specially designed curved boom that can handle the big tasks that the L2501 is made for, providing lifting capacity of 1131 lbs. (at pivot pin) and maximum lift height of 94.3", as well as exceptional durability.

Curved Boom

The curved boom provides enhanced visibility and modern styling.

Protected Hoses

The hydraulic hoses are neatly tucked inside the backhoe to protect from wear and tear.

Loader Joystick

The loader valve and joystick comes standard with either loader package. The joystick is ergonomically placed within easy reach of the operator.

2-Lever Quick Coupler

With our 2-Lever Quick Coupler, changing between buckets and other implements is a snap. This is the option for those who do a lot of bucket work and frequently change bucket types.

The 2-Lever Quick Coupler is standard on the LA525 loader package. Optional front attachments for the 2-Lever Quick Coupler: 66" and 72" Buckets, 36" Pallet Forks, Bale Spear

Backhoe

The BH77 backhoe is "Performance Matched" with the L2501 to deliver more power and greater capacity.

Wide Legroom

Our full-flat deck gives you ample legroom. This makes operation comfortable and mounting and dismounting the tractor easy.

Quick Attach/Detach

The less time you spend between jobs, the more productive you become. To this end, the BH77 is equipped with quick attach/detach mounting system. This makes attaching or detaching the backhoe a snap. So you can quickly move on to your next job.

Cast Steel

Mainframe provides a strong and durable backhoe. No welds to crack or break.

Optional Mechanical Thumbs

Thumbs empower backhoes with great versatility to handle objects such as logs and landscape rocks. The BH77 backhoe comes with pre-installed thumb brackets to accommodate the optional 6-position mechanical thumb.

Rear Snowblower

2-Stage Rear 3-Point mounted Snowblowers available in two sizes - 64" and 74" cutting widths.

Ballast Box

The curved boom provides enhanced visibility and modern styling. Mounted on the 3-Point hitch filled with sand or gravel to counter balance the tractor while operating a front implement.

Landpride Performance Matched Implements

Choose from a wide range of Landpride implements that are performance matched to work with your Kubota L2501 tractor to get the job done!
